

# Medina FFA Chapter

## 2022-2023

### Hello Medina FFA Members!

As a student enrolled in an agriculture class you have been granted the privilege to be a Medina FFA member at no cost to you thanks to the Medina FFA Alumni paying our chapter dues. This means that you are welcome to participate in all chapter activities, events, and contests. Yes, we do fundraise to raise money for our activities to keep cost of individual activities down or no cost.

This document outlines expectations for members in the chapter throughout the year as well as any important local event that you can take part in.

Always know that if you have questions about FFA, that Ms. Vandehoven is here to help!

I am excited to begin working with you this year!

## Expectations for Medina FFA Members

Medina FFA has a rich history and tradition in the community. As an FFA member you are expected to behave accordingly with the FFA Code of Ethics that can be found in the Student Handbook.

### In our local chapter we expect students to:

1. Follow all school policies at all FFA events (local, district, state and national)
2. Medina FFA members are expected to act appropriately at all times and are to be respectful at all FFA functions. If any member fails to act accordingly they will be banned from FFA trips for the rest of the year or the rest of their high school career depending on situation.
3. Always remember that while wearing your chapter t-shirt or FFA official dress that you are a direct representation of our chapter and poor behavior reflects poorly on our organization.
4. Be respectful of all teachers, school staff, community members, alumni members and advisors are all times. Failure to do so will result in not being allowed to go to future FFA events.
5. Be a positive and active member of not our chapter, but the school and community.
